Please note, none of the information you provide will be used for marketing purposes without us first getting your approval of the content

1) How long have you been using Biodose? _____

2) Why did you choose Biodose? What do you like most about the product?

3) Has your business grown / improved as a result of using Biodose? For example:

a) Have you increased the number of care home beds you're looking after?

If so, by how many, and over what period of time?

b) Have you increased revenue? If so, by what proportion (an estimated percentage) and in what period of time?

c) Has it made it easier to attract new care home business?

d) Have you expanded your business / opened up additional branches or hubs? If so, where and how big are they?

4) How easy do you find the product to use?

5) How easy do you find it to sell to care homes?

6) What has been care homes response when you have shown them Biodose?

7) When care homes have started using Biodose, how has it benefited them?

Can you share any positive feedback and if possible, tell us which homes you're referring to?

a) Have they cut round times?

b) Cut errors?

c) Made medication management more transparent / robust for future CQC audits?

8) Have you any other comments about how your business has benefited from Biodose?

From all at Biodose, many thanks for your time and feedback
